Welcome to Santa Monica Reads All Summer! Thank you for joining our program. We hope you enjoy our reading and activity challenges.

To participate, fill out this log or visit smgov.beanstack.org to register and log activities online. Log reading and complete activities throughout the summer to earn points and be entered into a prize drawing.

Here's how:

Read 60 minutes = 100 points

Complete 1 activity = 10 points

When you've reached a total of 1000 points, return the log to the Library to be entered into a prize drawing. Help us reach our community reading goal of **3,000,000 minutes!**

COLOR IN A CLOCK FOR EACH HOUR YOU READ. 1 HOUR = 100 POINTS.

COMPLETE THESE ACTIVITIES FOR 10 POINTS EACH

FOR CHILDREN AGES 0-12

JUNE 22 - SEPTEMBER 7

Enter 10 points next to each activity you complete. You can do activities more than once! Just add another 10 points each time you complete each activity; example: if you do it twice, it's 20 points. Add up all of your points and enter the total in the Total Activity Points sections below.

Arts & Crafts

Get creative! Make a work of art from things you find around your home.

STEAM Activities

Three Little Pigs Building Challenge:

- Use things inside or outside your home to build a house, then try to blow it down.
- Build a marble run (or use a small ball) and learn about engineering, gravity, and motion.

Engineering challenge:

- Build a tower out of marshmallows and toothpicks.
- How high can you build it?

Read Aloud

Read aloud to a family member, friend, or pet, in person or virtually.

Outside

Plan a nature scavenger hunt. Discuss things you find, how they feel, smell, and what they look like. Don't forget your mask, if needed.

Puzzles & Games

Put a puzzle together or play a board game with your friends or family.

Hand Washing

Sing a song while you wash your hands with soap and water! Learn more at: cdc.gov/handwashing.

Library Programs

Attend a virtual library program. Find upcoming programs at simpl.org/onlineprograms.
