Computer Class Descriptions

Beginner Level Classes

No previous computer experience required

Computer Basics I

Hands-on introduction to computers. Learn how to use a mouse and keyboard, work with Windows, and basic computer terms.

Computer Basics II

Use your growing mouse skills to perform a variety of basic tasks on a computer.

Email Basics I

Learn what email is, and practice composing and sending email messages. Sign up for a free email account.

Intermediate Level Classes

Requires proficiency with using a mouse and keyboard

Introduction to Finding Grants (for Nonprofits)

Introduction to the Foundation Center's database of U.S. foundations, corporate giving programs, and public charities.

Online Shopping

Introduction to how online shopping works, and how to shop safely online.

Advanced Level Classes

Requires proficiency with using a mouse and keyboard, and may require familiarity with relevant software

Internet Security

Learn how to protect yourself and your computer from threats such as: viruses, spyware, and scams.

Special Topics

Just for Seniors:

'Appy Hour' One-on-one Device Workshop

Bring your smartphone or tablet and get one-on-one help to get you started with using your device.
